

DEADLINE EXTENDED!

The Jericho Educational Foundation (JEF)

presents

PAVING THE WAY FOR EDUCATIONAL EXCELLENCE

Buy a brick to honor your favorite student, alumni, teacher, or for your family

A tax-deductible contribution of \$200 to the JEF will get you a personally engraved 4" x 8" commemorative landmark gray brick permanently installed in the circular pathway in front of the Jericho High/Middle School entrance. You may also purchase a full-sized souvenir donor brick for your home or office for an additional \$30.

The net proceeds from this campaign will be used to fund programming and infrastructure upgrades to help our students cope with anxiety and stressors that they all experience at the middle and high school levels.

Donate now to help pave the way for excellence!
