Click the “submit student assessment” blue button at the end of the tan banner at the top of the page.

08/27/2020 Student Assessment - Joshua

You are required to fill out this health check questionnaire for your child/children each day. Your child/children must be free of any symptoms potentially related to COVID-19.

All this time, the current CDC definition of these symptoms includes:

- Fever (100.0+)
- Cough or Sore Throat
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- New loss of taste or smell
- Nausea or vomiting
- Diarrhea
- Repeated shaking with chills
- Headache

If your child/children have any of these symptoms or answered yes to question 4, you must keep your child/children home. In addition, you should contact your health care provider for an assessment and possible COVID-19 testing. The District website contains several sites for COVID-19 testing. Your child/children cannot return to school unless you call your Principal to discuss the results of the evaluation.

Please know that the following questions are intended to limit any exposure to COVID-19.

All responses are confidential.

Since your child/children's last day of school, have they had any of these symptoms? Cough, Shortness of breath or difficulty breathing, Fever of 100.0+, Chills, Repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell. Note: Answer "yes" if the symptoms your child/children have experienced in the last 14 days are of greater intensity or frequency than what you normally experience.

Has your child/children had a positive COVID-19 test in the past 14 days?

Has your child/children had close contact with confirmed or suspected COVID-19 cases in the past 14 days?

There will be some information to read at the top of the form followed by four questions.

Repeated shaking with chills
Headache

If your child/children has/have any of these symptoms or answered yes to question 4, you must keep your child/children home. In addition, you should contact your health care provider for an assessment and possible COVID-19 testing. The District website contains several sites for COVID-19 testing. Your child/children cannot return to school unless you call your Principal to discuss the results of the evaluation.

Please know that the following questions are intended to limit any exposure to COVID-19.

All responses are confidential.

Since your child/children's last day of school, have they had any of these symptoms? Cough, Shortness of breath or difficulty breathing, Fever of 100.0+, Chills, Repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell. Note: Answer "yes" if the symptoms your child/children have experienced in the last 14 days are of greater intensity or frequency than what you normally experience.

Has your child/children had a positive COVID-19 test in the past 14 days?

Has your child/children had close contact with confirmed or suspected COVID-19 cases in the past 14 days?

Has your child/children traveled internationally or from a State with widespread community transmission of COVID-19 per the New York State Travel Advisory in the past 14 days?

This checklist must be filled out for your child/children each day before 7:00 am.

Your child/children will not be admitted to school unless a form is filled out in PowerSchool and sent to the school.

Once again, if you answer YES to any of the questions, keep your child/children home and contact your principal and healthcare provider.

Cancel Submit

Scroll down to make sure you've responded to all the questions, then click the submit button.
